## \*\*\*\*\* President's Message \*\*\*\*\*

"America is not like a blanket--one piece of unbroken cloth, the same size, the same color, the same texture. America is more like a quilt--many pieces, many sizes, all woven and held together by a common thread." Rev Jesse L Jackson, Sr.

As we move into this voting season, we need to remember the quote above; and I feel the same about our guild. Our members come with from many different backgrounds, with many skills and ideas; but we are woven together with our love for quilting!

I want to thank Susan R and Sally T for the good choice of our August program presenters: Tom Goulding, Physical Therapist from Apex and the four firefighters from Sierra Vista Fire Dept. What a lot of great tips and ideas to make us safer and healthier. There are a few sheets of exercises that Tom recommend still at the Guild.

Be sure to read the entire newsletter for articles on upcoming events: sewing room sale in Sept; volunteers needed for Art in the Park and Cars in the Park in Oct & Holiday Flavor in Nov; voting on Challenge quilts in Nov; and new demonstrations on noted Thursdays, note the new start time of 12:30. Also, look for information regarding our upcoming programs and workshops!

It has been a while since we took a Guild wide photo. I am hoping to take one at the morning meeting in Oct. Come join us! We currently have approximately 160 members; I am not sure we can get everyone in one picture!!

Happy Quilting!

Debi G

Heartfelt sympathy goes to Lois K on the recent loss of her younger brother.

Condolences also go to Mary Lou S on the recent loss of her brother.

### Membership Spotlight: : Meet Martha Dobyms

I moved to Sierra Vista about 26 months ago from Colorado. SV is known for its climate and its multitude of activity options. It is a great retirement community. I began quilting over 20 years ago after watching my grandmother produce beautiful quilts. I knit, garden and take piano lessons. I would like to perfect my mitered corners and I like the card trick pattern. I'm looking forward to this new journey!

**Caring--** If you know of a member that is recovering from an illness, an accident or an injury, or has experienced a death in the family, please let one of the following people know, so the guild can send a card: Guild president, Debi G; any board member; the Caring Chair – Shirley F; or Gail S. Thank you!

Hand embroidery is the only allowed embellishment. Quilting technique of your choice – pieced, applique, etc.

## SEPTEMBER PROGRAMS AND WORKSHOPS

### FUTURE PROGRAMS FOR 2024

#### SEPTEMBER

Tuesday, September 17 Morning and Evening  
Karen T: A Trunk Show

We are looking forward to a trunk show by one of our own quilters, Karen T. She will present a selection of her work at both morning and evening meetings.

A quilter since she was 19, she explores many styles and techniques, whatever interests her. And, as far as I know, she is the only Hummingbird Stitcher who has had a quilt selected to hang at the Paducah show. Wow!

NO Wednesday Workshop

#### OCTOBER

Tuesday, October 15: Morning and Evening  
Elisabeth DeMoo will present: "Conquering the Dreaded Y-Seam"

**Elisabeth DeMoo** (aka Annelies) has been sewing since the late 80's. She started by making garments in 4-H. She is a mostly self-taught quilter and loves to dive into different techniques. With more than 10 unfinished projects at all times she calls herself a crafto- She has had a pattern published in Patchwork Love and Quilting, taught on quilting es, and worked with brands like Riley Blake and Blue Print. Let's make something beautiful!

Wednesday, October 16: Workshop  
Quilters Alert!

Have you always avoided certain patterns? Don't like making Y-seams? Well, here's your chance to learn the perfect Y-seam, making a very pretty hexagon pattern. The photo is the class project for October's program. We also have a sample made in a different colorway and much larger.

Elisabeth DeMoo will present her work Tuesday October 15 at both morning and evening meetings. The workshop will be the next day, Wednesday, October 16. A sign-up sheet will be posted on the bulletin board next week. When you sign up, and pay, you will get the pattern with the supply list. Maximum students 20 and we expect this class to fill up soon.

**NOVEMBER** Challenge presentation

**DECEMBER** Holiday party

### Don't forget to pick up your 2025 Opportunity Tickets

(especially if you plan to travel this summer)

We have tickets and pictures available for our **2025 Opportunity Quilt**. The quilt measures 69" x 89" (twin size).

We would love to outsell last year's numbers!!

If you have any questions, please contact Dorthy G, Maggie, Virginia or Katie. Thanks for your help in making this a successful fundraiser this year!! Remember, ticket sales help us to purchase batting and pay for our rent in order to produce our Community Quilts!

Thanks, Katie A

So please send your hummingbird pictures to us at [webmaster@hummingbirdquiltguild.com](mailto:webmaster@hummingbirdquiltguild.com).

Feel free to reach out to me if you have any questions. Kelly R, quilt show chairperson

Thanks!  
Kelly R  
2025 Quilt Show Chair

The Guild provides ready-to-sew quilt kits in a variety of sizes, colors & patterns. They are located in the tubs in the meeting room & there is no sign out sheet or deadline for completion.

If you find one that intrigues you, but you're not happy with any part, come to the stash to replace that part from our collection. The kits are suggestions, starting points! You can also use your own stash fabric to replace any part.

Many thanks to all of you who take a kit home to complete!

**New guidelines for making backs for quilt tops:** please make the backing at least 5" longer on each of the top & bottom edges and 4" on each side. This allows for ease in loading the backing without the quilter having to add an extra leader.

Also, please sew down any seam edges from piecing so the seam doesn't come apart in loading.

Every little bit helps our long-arms who volunteer time & thread!

**DON'T FORGET!**

We have lots of guild pins in stock @ \$5/each!

Katie will have them available at guild meetings and our Wed & Thurs sewing sessions.

See you soon! Katie A

### Summary of the SV firefighters' safety presentation in August:

- Have working smoke detectors in your home. The Citizens Fire Academy will come change your batteries for no charge. Just call the non-emergency number listed below to make an appointment.
  - Keep your bedroom doors closed at night. If you see or smell smoke DO NOT open the door; block the bottom with a blanket or something to prevent smoke from coming in. Do not hide and wait for help. Get out as quickly as possible. Call 9-1-1.
  - Medical emergencies:
    - Have a list (one for each person in the house) on your refrigerator with your full name, phone number, address, list of current meds, current conditions, recent surgeries, etc; doctors name, spouse's name, name of relative not in the home. It is recommended it is on colored paper or in a labeled zip lock bag attached to the refrigerator.
    - For emergency access to your home the fire dept, in conjunction with the local realtors, will provide a key box for the outside of your home. It will have a computer code, known only by emergency services, with your key to gain access to your home, so they do not have to tear down the doors. You can call the number below for more information on how to get one.
  - All fire stations have a green box outside the station to dispose of expired or unneeded prescriptions.
  - They will remove snakes. Call the number below.
  - Fall prevention: remove throw rugs. If you have a cane or walker - USE IT!
